THE LAW OF ONE

We are all One.
When One is harmed, all are harmed. When One is helped, all are helped.
Therefore in the name of Who I AM – and I AM One with All there is -
I ask only that the Highest Good of all concerned – Happen.
And I give thanks that this is done!
So Be It!

ENERGY REPORTS

MG: brings up the massive changes coming down the pike for the Keshe Fdn – over 40 years of work will be another meeting for addiction awareness – all of these interactions with the Keshe program provides more information for fine-tuning the equipment

PCC: reviews own physical energies and the past weeks events
reviews events on the international stage which shows great change is in progress

Summary: [See fuller discussion at the end of these notes.]

- Syria in Middle East group again. Thanks to Russia
- China brokering a peace agreement between Iran and Saudi Arabia to stop war in Yemen
- the US loses when the war in Yemen ceases
- People in Haiti have been protesting since June 2022 about foreign interference in their country
- huge peace action in London and Great Britain; Germany and Europe next
- International COVID summit III – May 3rd – one day devoted to medical science, effects of the vaccine; statistics, legalities; input from EUP ministers/co-sponsors of the event

O: energies do a number on her some days, and others they support her
the people she deals with are getting rid of past issues and she
are we insane, or are we repeating a pattern?
Trust your guides; be open to receive

COR: these energies are intense
• and we also have to work things out for ourselves, too

RGM: Brazil ordered a temporary suspension of Telegram – claiming lack of proper paperwork – in reality, afraid of the truth being spoken
• the news is based against therapist
• you tube shut down all live streams today, related to the National Citizens Inquiry in Canada
• he talked to a psychologist he knows:

- just the diagnoses of taking a boy or girl for interviews to determine aspects of treatment to the opposite sex - \$1 BILLION A YEAR JUST TO DIAGNOSE – never mind the treatment costs
- leave the children alone and don't mess with the future

- destruction of the mind and the soul – we don't know if this kind of thing went on before, but social media has created people who like to talk via social apps, instead of people talking to each other - people are affected by TV, social media, entrainment by games and so forth

R,T: Greetings to all – looks like accountability is taking hold. . .

- things are speeding up to bring accountability to the forefront – it's the energies pouring in: every day he give thanks for being here with what is unfolding – both amazing and terrifying, given what the dark ones are doing
- the extremely high energies are coming in; tectonics plates moving: NO CATASTROPHIC EVENTS -
 - yes, keep your eye on the Yellowstone Caldara YET THE GALACTICS ARE HERE! ! !
- there is transformation happening all around the planet: the MSM does not discuss incoming energies yet auroras are on all alternate videos: the green of Hilarion; the magenta colours –
 - all the forces of light are here – the animals are feeling it too – saw 4 deer and 10 crows today: it is the upliftment of this realm that is moving in higher octaves daily – as you talk to the DNA, it talks to you
- he is seeing things change – due to the high energies coming in, the dark side is acting out more and more – yet things are happening to bring closure to the old timeline eg China – end to conflict in Ukraine, Russia and rest of Middle East
- the players on the dark side being exposed more and more – can't constantly preach hate and violence and not create karma!
- The present state of affairs in the US: Bernie Sanders and others coming forward to talk about the filthy rich who are going broke:
- another bank has gone down; the world bank concerned about the state of affairs – it's about the final story unfolding here: the Babylonian Magic Money Machine won't keep up forever
- the biggest thing not being talked about: our friends from the stars are showing up
- the black budget – they want to play with the final fear card of a fake alien invasion . . . the fallen angels are being shown up and it goes back even further than Babylon
- Harry Belafonte passed – but Rama can feel his energy – he's still working – and he can come back and continue the mission here if he wants

T: the republicans passed the debt ceiling bill – to raise the debt limit and make 13% cut in social programs of various kinds

- AOC on Wednesday – increase the federal deficit -
- Bernie Sanders – info played from **Democracy Now** program -

RGM: Erdogan was hit with an energy weapon . . .

Rosa from Palestine

Rama: I received a call from **Rosa from Palestine** at 12:15 pm, early this afternoon. She said to me, "Lord Rama, things are really heating up in the Sudan area. There is supposed to be a 3 day truce, yet there s still fighting going on. This day at sundown is EID, the end of Ramadan at sundown today. It is time for all the fighting to end all over the Middle East, as well as all over the world!

"Meanwhile, there was a huge solar flare today, and in about 3 days from now, it will be strongly impacting us here on earth. You can see it on www.spaceweatherlive.com The plasmatic, photonic light coming in is about the strongest it has been in a while. Remember to drink lots of water, and stay in the high heart. See you in the Light of the Most Radiant One! Sat Nam. Namaste! **Blaze the Violet Fire!"**

Monday

Professor Nicodemus, Professor Steve

Rama: I went to see **the two professors** today at 11:40 am, late this morning. They said to me, "Lord Rama, the solar flares are increasing exponentially each day, and THEY ARE HUGE! The waves of energy from the solar eclipse and the new moon are rippling across the galaxy. They are affecting the tectonic plates of Mother Gaia. In Indonesia there was a 7.1 quake today; **there will be NO CATAclysmic EXTINCTION-LEVEL EVENT**. Mother Gaia is just shifting a bit as we work with the Violet flame, we can create magic and miracles. Remember we are Creator Goddesses and Gods of the Most High – stay there! See you in the Light of the Most Radiant One! Sat Nam! Namaste! **Blaze the Violet Fire!"**

Lady Nada

Rama: I received a text message from **Lady Nada**, at 11:45 am late this morning. She said to me, "Lord Rama, in spite of all the bad press about the UN, there are many good people here who know about our family and friends from the stars. I have assisted many councils throughout the galaxy; Earth's U N is getting an upgrade!

"It will become a "Planetary Council" which is where all the countries of the world, in unison with each other, are represented together in peace and harmony. This will lead to a Galactic Council that already exists! It is called "The Solar Tribunal on Saturn" which is a rotating council MEANING there is no dominating head at the table. This Galactic Council works with other Galactic Councils that make up the Galactic Federation.

"Right at this moment, in this so-called present timeline, there are so-called politicians and, as Rachel Maddow calls them, 'bagmen' who are the go-betweens the fallen angels and "the filthy, pale-faced life forms who are in the positions of the so-called 'captains of industry'!

"The only industry they are in is keeping the Babylonian Money Machine going. Racism and hatred are NOT family values! This all started with the fallen angels playing around with the hearts, minds and souls of the people of Mother Gaia. This has come to an end! ! ! You are watching the matrix collapse every day! We are approaching WESAK and Buddha's birthday – whatever the issue is, the answer is LOVE. See you in the Light of the Most Radiant One! Sat Nam! Namaste! **Blaze the Violet Fire!**"

Chun Lee

Rama: I received another text message from **Chun Lee**, one of Natasha's body guards, at 11:48 am this morning. She said to me, "Lord Rama, President Xi is working with making a deal with President Zelensky to bring an end to the war with Russia, in Ukraine.

"Meanwhile, the solar flares continue to get larger; there are many starships in our skies at this time. Many of these craft are being seen over Ukraine and Russia. President Xi is being leaned on by the Galactic Forces of Light. This is because he would like to bring some disclosure to the world. It is all about bringing closure to this old timeline. The energies are extremely high, and we are reminded to remain neutral with all the events going on. Sat Nam! Namaste! **Blaze the Violet Fire!**"

2023-04-27

Thursday

Natasha

Rama: I received a text message from **Natasha** at 12:20 pm, this afternoon. She said to me "Lord Rama, Russia and Ukraine are at a pivotal point. President XI would like to bring closure to the conflict in Ukraine, with Russia, and President Zelensky would also like to see an end to the conflict. The real demon in this story is the United States empire. It is all about the hegemony. Whether folks realize it or not, the fallen angels are playing this story out.

"And the Faction 3 White Knights are doing the real shadow work to bring these stories to the light of day. **WE HAVE WON !!!** As we move into this lunar eclipse, stay in the Light of St Germain and the Violet Flame. There could be more tectonic plate movement. See you in the Light of the Most Radiant One! Sat Nam! Namaste! **Blaze the Violet Fire!**"

**From Lord Rama:
Spherical Ship over
Larson Bay, Ak**

Caller: is there something propelling those with certain gifts: are people being guided to something?

SB: what she's feeling is the same experience as many of her clients speak of

- getting that the caller is really really close to whatever she is moving towards
- Advice is just TRUST – OUR PRACTICE NOW IS TRUST: we don't know what to do when we've dealt with all 'everything' : feels like there is no more work to do

MARGIE: cleaning things up as husband is coming back from nursing home; kids are coming back to help; just feels overwhelmed

SB: 2 kids – a son and a daughter: the son has a more dominant energy? - guides say just let go and let son take some of the stuff off her shoulders at the moment

M: the kids won't be there that long -

SB: guides are saying one moment at a time; allowing and surrendering –

- this is part of the evolvment for her and the children – meditate more –
- when a particular spot hurts or bothers, identify the location in the body, take out the energy of that spot and give it to the angels, or the Violet Flame -
- yes, it's overwhelming yet having the family together is good energy

COR: yes we re in 5D, but still not living as if we are – in the precarious space and moving forward

SB: we are so used to suffering and conditioning – takes a long time to strip all of that from us

COR: asking about auto immune conditions and recurring MS

SB: starts with MS, which she's had - hasn't had symptoms for 10 years, as she's done much energy work - relapse remitting is the first stage, what most people are in when first diagnosed – from this stage it can worsen

- in the auto immune conditions, there is an underlying trauma -

COR: what will creative people come to her with?

SB: to learn how to step up and claim their own creative abilities – helping them be who they are a lot of inner child work too

- her coaching: involves deep shadow work; all of us have aspects which love being in the shadows

RGM: Erdogan of Turkey was hit with an energy ray gun of some sort – asks Rama about it

SB: her take on the energies coming in now: she's been experiencing – feeling like 2 things going on – very supportive energy – or getting slammed – it's like a roller coaster

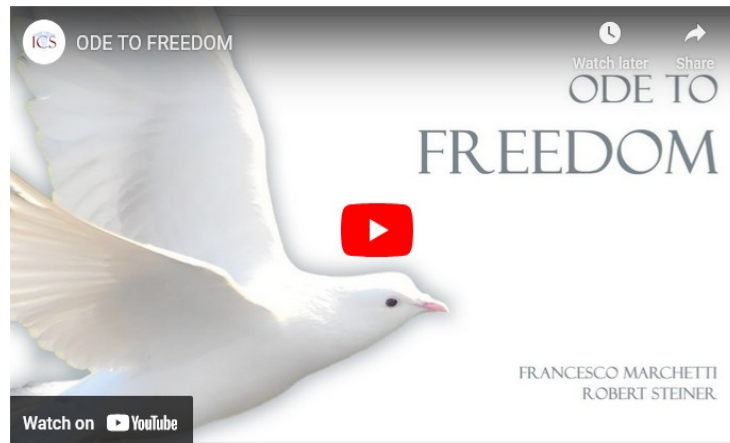

COR: How does SHE re-calibrate and deal with this?

SB: It's getting near water – and also breath work - heliotropic breath work

- having a hard time meditating because of the energies
- bouncing through the veil and back again

PCC – Energy Report

This has been an almost over-whelming week, what with the energies just piling up day by day: eyes that saw, then couldn't see, accurately; colours changing everywhere I looked; a head that feels the size of a pumpkin and is about to explode; sleeping and sleeping; and now processing the work of a wonderful, local massage therapist whose a variety of modalities 'moves me right along' as the saying goes! I'll be processing that hour or so for a few days I think!

In the meantime, I've been reviewing material to send out. The international events show us some mighty changes happening! ! People are waking up and we are not hearing much about it in main stream news . . .

1. **Peace is being brokered in the Middle East**

- China brokered a rapprochement between Saudi Arabia and Iran
- Russia has brokered a meeting of minds between Syria and Saudi Arabia – this news from Scott Ritter, the man involved in the discussion of the absence of weapons of mass destruction: the yellow cake story as you recall
- Scott's last sentence is this: "But the fact is that, thanks to Russian and Chinese diplomacy, peace, not war, is breaking out all over in the Middle East. Bringing Syria in from the cold is simply the most recent manifestation of the phenomena."

2. China is turning its effort to **negotiating an end to the war in Yemen**, which has been a proxy war between Iran and Saudi Arabia. US is being sidelined by China's new status as a peacebuilder; the US has been profiting from arms sales and wars in the Middle east for decades.

3. **Demonstrations for peace** – in Great Britain's 4 countries: England, Ireland, Scotland, Wales – there are huge demonstration for peace, and more, coordinated actions are being planned – various groups coming together for peace, regardless of their specific political aims

4. **Protests in Haiti continue** – the Black Alliance for Peace put out an Article about Haiti which came out to time with the UN Security council discussing Haiti's future AND protest the lack of any Haitian individuals or organization at the meeting. The people of Haiti continue to protest the occupying entities in the country; protests have been going on for 6-8 months regarding the lack of respect for the sovereignty of the people: we know who's benefiting from this – yet the people are not stopping! ! !

5. Dr Robert Malone sent out information regarding an **International COVID Summit III on May 3 in Brussels** - co-hosted by some European Parliament members + organization called The Grassroots Association

- feeds directly into the work of Reiner Fuellmich and his team on Covid – Malone was one of the witnesses in those discussions
