Energy Update

COR: the energies have gone mad! And the emails she gets speak of what people are going through. And the shadow aspect, the trauma has to be gotten through so we can all move onwards . . . for more detail, listen to the podcast! ! !

RGM: from Mr Keshe – that by July, August, the wellness units will be brought to Arizona

- he describes the technology
- this month is the time for the most intense of the cosmic energies coming in
- has just watched a clip of Vladimir Putin call out the entire Canadian Parliament via an interview with Tucker Carlson: for inviting and celebrating the nazi soldier
- This is one of the events bringing higher energies coming to the planet and he agrees that it may be from the real Putin; what's being said is of the higher energy

O: Agrees with previous comments -

P: spend a good deal time walking around with a grin on my face, living in the flow: the NOW moment

MG: The main themes of the last knowledge seekers workshop is how man's knowledge has reached the point that we can make Souls, and the new Non-dimensional system that was created for the London conference on Armistice Day 2023 has a Soul.

Just like humans were first created in physicality (P) and then the Soul was created, so too these reactors first start out as matter state reactors to create the M fields.

Then when all the matter state framework is removed and there is only empty space remaining, we find out that the fields continue to interact and show themselves as alive.

It is my understanding that Mr. Keshe made another special reactor intended to bring the change to the planet, because he said, 2 weeks ago we switched on a reactor that will bring change, and that it is too late to stop it, and the fields are already spreading across the Earth. And that a human built the reactor, not Mr. Keshe; he only provided the knowledge. This way we won't think it is magic. They are transferring the knowledge in a short and shocking way, so they don't have to be here for thousands of more years.

The feeling is that this new system is the one that is going to fulfill the promises of the past.

Why? Because this is the first time that I can recall that a system is so strong right from the birth and has the direct connection to the Creation and Creator.

This is why he keeps repeating that the KS could feel it, that it made the hair on their arms rise, the same way your hair rises if you really love your lover and touch them, or are in their presence. I don't think many can say that, but we can imagine it. Now this Field has that same power of love even though there is nothing there to see.

3 new research and development space technology centers to be open in 3 separate locations on the planet. Arizona US, Sanya China, and in Iran . . . Knowledge breakthroughs all in one GO.

R,T: as for the energies: it's a huge transformation on the planet – and the new moon tomorrow is about entering the Age of Aquarius, and the darkness is leaving.

The Supreme Court is using 'word magic' – the constitution still stands

- LM Nada said they were dancing around 'insurrection' – and the 14th Amendment says quite clearly what happened on Jan 6 was not a riot. It was about overthrowing the govt, and killing Pelosi and Pence - an insurrection.
- People died that day and none of the Republicans have been held accountable since that time

AA Michael & Sananda Kumara/Jesu share the Planetary Prince position; NO NUKES ON THIS PLANET !!! et

- our biggest task is about having love and compassion – it's not fun to watch what is happening

Heard about Mongolia on a radio program today:

- having a humanitarian crisis – facing drought and facing starvation; their animals are dying too -

Gazans – hard to see – 250,000 are dying from famine: he was there in his night work

- send the rose coloured ray, the emerald green ray to all those areas around the planet – it will raise the energies of the areas and those of us who use them . . .

Humans are stuck in the matrix

UNRWA has been defunded by the US; the organization will run out of money by the end of February:
visualize that and call in the strength of the energies of love to raise this up

the weather patterns are also affected: earth, air, water, fire, ether, all of which are related to our chakras

February 1, 2024 – February 8, 2024

To our readers: Rama’s White Knights Report, for the most part, will present information from Rama’s contacts on very current events. Sometimes, additional commentary may show up, in the form of more explanation about an important issue, or as an article inserted to provide more insight on the subject being presented.

Rosa from Palestine

Rama: I received a text message from Rosa from Palestine at 12:12 pm, early this afternoon. She said to me, “Lord Rama, the solar flares continue unabated. As you all know by now, the energies continue to be very high.

“I am in an undisclosed location in the Middle East, and I am safe. Gaza and Gaza City look unrecognizable.”(Note: Abullah Hammoud, Mayor of Dearborn, MI, said on The Reidout Thursday evening, that 70% of all the structures in Gaza have been destroyed.)

Rosa continued, “Lord Rama, the images that are being sent out across the news wires and satellites show a picture of an apocalyptic future in present time. Like those in the portrayal in Mad Max/Thunderdome, Gazan war refugees are wearing ragged clothes; many of them are injured, and they are all going through tremendous PTSD. Some people are digging for dead relatives in the rubble; hospitals have become targets, meaning the rules of engagement for war have been violated by killing and maiming innocent men, women and children in and around that hospital.

“Please put all of this in the Circle of Support, and blaze the Violet Fire! Sat Nam! Namaste!”

Sunday

14 deer, 7 crows; Tom the Ring-tailed Cat

Rama: I sat with **14 deer and 7 crows**, and a fox trotted by as well. It was 11:57 am, late this morning. They intuitively said to me, "Lord Rama, the energies are extremely high again today!" Then the deer showed me a pink heart and it was beating. I sat with that energy and expanded it out across the planet.

Then I received a text message from **Tom the Ring-tailed Cat**. He said to me, "Lord Rama, there were 3 M-Class solar flares today. The electro-magnetic energies are extremely intense!"

Tom continued, "Lord Rama, I sent you a picture of a crystal rainbow starship that I found on one of your Twitter feeds; it is a Pleiadian craft. There are at least thousands of these crystal rainbow starships in your atmosphere. We are at the moment where anything and everything can happen. Stay in the High Heart! **Sat Nam !Namaste! Blaze the Violet Fire!**"

#NEIOH This is a small Crystal Craft that is occupied by 3 Pleiadians. Most Pleiadians enjoy having many Crafts that Serve as vehicular crafts for smaller ranges of distance, crafts for leisure and travels to visit friends and family, and Crystal Crafts for personal travel with magnificent interiors. After the Shift, there will be choices of these Crafts available to all who gather in Light!

Monday

RanaMu

Rama: I went and saw **RanaMu** and received a rainbow laser healing treatment at 11:05 am this morning. She said to me, "Lord Rama, get on the bio bed and we are going to go on a journey." And so I got on the bio bed and watched the rainbow lasers move across me until I dozed off.

I found myself travelling in orbit around Mother Gaia and then, I saw Lord Metatron hovering in the air and these Viking Runes were flowing around him! As Lord Metatron began speaking the Solex Mal language, the Viking Runes began to glow with this orange yellow colour. Then the runes expanded out and began to create a gold grid pattern around the earth. I watched pulses from the sun send these golden beams into the grid pattern around the earth.

Then I saw Lord Metatron wink at me and he said "We've got this one, Commander!" and then I heard Lord Metatron speak these words: "As you focus on the emerald green and pink rays, they will raise up the frequencies of Mother Gaia and you too."

Then I found myself back on the bio bed. As I opened my eyes, RanaMu asked: "Lord Rama, did you have enough?" I answered: "I am doing well." I was at this point away for about an hour. Rana Mu said to me, "Lord Rama, focus on the emerald green ray and the pink ray; this will help you and the whole planet right at this time."

Then I went on my way. **Sat Nam! Namaste! Blaze the Violet Fire!**"

Tuesday

Mr X

Rama: I received a text message from **Mr X** at 12:10 pm, early this afternoon. He said to me, "Lord Rama, the King of Egypt (KOE) is going to go and whisper into President El-Sisi of Egypt's ear to tell Prime Minister Netanyahu to pull all of his military forces out of Palestine back to the 1967 borders, and let the world know that the Galactic Federation is here."

Mr X also said to me "Lord Rama, President El-Sisi will tell Prime Minister Netanyahu to call for an immediate cease fire."

PS: Mr X continued: "Lord Rama, Mother Sekmet is here and She will be behind the scenes watching for Her moment to make Her move!"

"Please place all of this in the Circle of Support! [Blaze the Violet Fire!](#) [Enshallah!](#) [See you in the Light of the Most Radiant One!](#) [Sat Nam!](#) [Namaste!](#)"

Wednesday

6 deer and 3 crows

Rama: I went and sat with **6 deer and 3 crows** today, at 11:21 am late this morning. They intuitively said to me: "Lord Rama the sun is sending out big flares today. Even though we are sitting in rain, sleet or snow, we are happy you are sitting with us. Don't take life so seriously! This is all just a cosmic dance."

I saw on Twitter this morning that there were 2 big solar flares. Everything that is going on is lifting us to that state of Oneness. It is challenging to stay in the High Heart at times. The daughter of one of the Faction 3 White Knights said to me. "Lord Rama, the big story has now come to its conclusion stage. Please [blaze the Violet Fire](#) and send all the love you can hold, and even more! [Sat Nam!](#) [Namaste!](#)"

A NIGHT AT THE ROUNDTABLE

7 / 10

Rama: I received a text message from **Lady Master Nada** today at 11: 29 am, late this morning. She said to me, "Lord Rama, the Supreme Court is playing around with word magic and it is because the Supreme Court answers to the Vatican. And that shadowy group called Opus Dei. All of this part of the old matrix that is leaving. For the past 26,826 years, the world has had false gods and goddesses before them. They are part of the fallen angels or the Annunaki ET s. As Aurora Ray's title for today's report says we have officially entered the Golden Age of Aquarius, an historic turning point.

Then she continued: "On January 20, 2024, we transitioned from the Age of Pisces to the Age of Aquarius, making our official entry into the Golden Age – a time of profound spiritual awakening and enlightenment. This coincides with the year of the Green Wood Dragon, symbolizing resilience and the unleashing of dormant powers.

"Meanwhile the solar flares continue. The Ascension symptoms continue. As we continue to stay in our High Hearts, we can experience greater spiritual awakening and enlightenment NOW. Divine Government is at hand.

"Lord Rama, you will be seeing me as you least expect it. You might see me in Whole Foods! Again, stay in the High Heart! ! Sat Nam! Namaste! Blaze the Violet Fire!"
