THE LAW OF ONE

We are all One
When One is helped, All are helped.
Therefore in the name of the I AM – and I AM One with All there is -
I ask only that the Highest Good of all concerned – Happen.
And I give thanks that this is done!
So Be It!

MEDITATION: Violet Flame Mantra . . . from Patti Cota Robles

ENERGY REPORT:

COR: she is over-worked, yet the energies are so astounding: gets the feeling all is shifting and watching something like Democracy Now - as good as it is – can bring one down – feels the light coming in

- have to keep our energies up and in alignment and keep our energies high however we do it.

O: the biggest challenges we face is realizing we don't have to be part of what is happening on earth

- can be neutral - and use the Violet Flame as much as possible
- had a to-do with a family member, and put that person in the Violet Flame for the whole weekend !! The VF is only doing good - only the highest good all the time! !!
- Energies have been wild – she is affected by low pressure
- She heard on the news tonight: played a tape of Mr Trump admitting he lost the election! !!
Heard it on NBC – it was the talk of the town for a while . . .

PCC: report on the 3 night event in Alberta re: Covid Intel – the 3 doctors listed below made presentations in Calgary, Red Deer and Morinville, Alberta

SEE BELOW FOR THE MAIN NEWS IN THE SUBSTACK OF DR MAKIS . . .

- RGM:** about 20,000 people saw the presentations by Dr Schumaker, Dr Trozzi and Dr Makis, between the Watch parties and the Zoomers from the live show on Monday
- Dr Trozzi - from Ontario - sold his house, put the furniture in storage and made it his purpose to educate people
For the sake of comparison:
 - the polio vaccine - had 80,000 of the polio virus in the new vaccine
 - this 'vaccine' - 400,000 units of whatever is in it . . . nothing to do with the 'virus'!!
the 'vaccine' will attack whatever your weakness is and enhance it many times over
 - June 17, 2024 Anthony Fauci was on the Steven Colbert Show: everyone laughing about things
 - there were police men who took samples and sent them to labs: those sent from a doctor take forever – but the police “mean business”!!

The message from the event . . .

DO NOT COMPLY WITH WHATEVER IS COMING NEXT!!

O: presents what she has learned about vaccine etc

RGM: we need the cold virus because it helps us stay strong

MG: Greetings . . . and a report from the Public workshop of the Keshe Foundation

Greetings to all of our listeners from around the planet, and throughout the cosmos!

We have reached the point that the change in 2024 will come through the Knowledge Seekers (KS) being able to demonstrate full physical transmutation in Iran in November and later next year in Washington DC.

Mr. Keshe said that the more KS who can transmute the better, but he is hoping that at least 10 to 20 humans can do it. Maybe this is why in the past few weeks he has intensified and deepened the teachings. What Knowledge Seekers have to do, is to be able to transmute their physical body back into a single what he called, Fundamental Plasma (FP).

We all came from the FP and now we are going back to it, but we will carry with it all that we have gathered as field strength through our life in physicality (P); emotions, knowledge, even our assumptions we have in our life.

We know that our Soul of the Man (STM) is a FP that is directly connected to the Creator. Today he said we can think of all the magnetic (M) fields and M Rays inside the FP, as each one having its own separate existence within the plasma. It's not just a 'mish mash' of everything and then we call it a plasma. Each of these fields has a function, and then he compared it to how the brain works. Each little section or area in the brain has its own function. The scientists have mapped the brain out and can tell us which point controls the arms, legs, and all the different parts of the body, as well as the emotions and other functions. This analogy helps us to think of the plasma as something alive, conscious, intelligent, and actually, it does everything for us. In a way, we are kind of just a witness to it. And now we are learning to become aware of it and have control over ourselves.

When there is too much information to handle all at once, it starts getting confusing. So let's simplify. There is the FP of the Creator; all of the Creation is a little piece of that FP. We all have our own FP and this FP is made up of fields and rays, all of which have the same characteristics in all of Creation. The essence of all our fields are the same, no matter who we are or where we are from. All the fields keep their original characteristic of where they came from. Basically, everything is made out of the same Fields. This is what it means we are made in the image of the Creator and that we are all one.

THE FOCUS OF DR MAKIS' SUBSTACK, REFERRED TO ABOVE:

In 2023, The LANCET censored & CANCELLED a **ground-breaking COVID-19 Vaccine Injury & Autopsy paper within 24hr after 100,000s downloads.**

I've learned that it has just passed peer review & will be PUBLISHED!

74% of sudden deaths due to COVID-19 Vaccine! 325 Autopsies reviewed.

This is yet another game changer.

My advice to any politician listening (no matter the political spectrum) - get on the right side of history, because the evidence of COVID-19 Vaccine harm is washing ashore like a Tsunami of Truth.

I will post the new PREPRINT as soon as I get it.

(Dr Makis also included the following page, copied from the original document sent to The Lancet.)

Closing Note: the publication of this article, almost a year since it was first created to demonstrate the effects of the 'vaccine', is being advertised by the Lancet.

Preprints with THE LANCET

Preprints with The Lancet is part of SSRN's First Look, a place where journals identify content of interest prior to publication. Authors have opted in at submission to The Lancet family of journals to post their preprints on Preprints with The Lancet. The usual SSRN checks and a Lancet-specific check for appropriateness and transparency have been applied. Preprints available here are not Lancet publications or necessarily under review with a Lancet journal. These preprints are early stage research papers that have not been peer-reviewed. The findings should not be used for clinical or public health decision making and should not be presented to a lay audience without highlighting that they are preliminary and have not been peer-reviewed. For more information on this collaboration, see the comments published in The Lancet about the trial period, and our decision to make this a permanent offering, or visit The Lancet's FAQ page, and for any feedback please contact preprints@lancet.com.

2024-06-14 Friday 4 deer and 8 crows; Rosa from Palestine

Rama: I sat with 4 deer and 8 crows on the way to Abique today. The wind was blowing at least 50 mph.

Then I received a text message from Rosa from Palestine. She said to me, “Lord Rama, the X Class solar flares and the M Class solar flares continue. That Solar Flash is extremely imminent. As this occurs, it will be the most transformative experience of our lives. We are merging with The Force and this Quantum Field knows everything. All we need do is accept Love and Compassion into our hearts. The video that someone sent me yesterday showed the idea that the Isrealis made an attack on a Galactic Confederation star ship. It’s in plain sight for the whole world to see, and no one across the planet has picked up on this! ! !

“One minute it looks like this; the next minute, The Captain is here! I will see you in the Briefing Room, Lord Rama! See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!”

2024-06-17 Monday ET and Carlos; Rosa from Palestine; 3 deer and 5 crows

Rama: I went to see ET and Carlos at 10:35 am this morning to get another auto repair. While Carlos was working on our shuttle craft, I went behind his shop to the arroyo there, and sat with 3 deer and 5 crows for 10 minutes. They sat down with me and put their hooves in my lap. I petted their legs and one of the deer also laid his head in my lap!

They intuitively said to me, “Lord Rama, it is very hot; go drink some water. Then go home and go to bed!”

Then I received a text message from Rosa from Palestine at 11:10 am. She said to me, “Lord Rama, big solar flares are going on again today. Please place Gaza in the Circle of Support and Blaze the Violet Fire.

“There are war crimes ongoing, and it is unconscionable. Our galactic brothers and sisters are here. Every day they protect the Gazan people, even as the Israelis continue to shoot at them.

The Force is with us! We have won! Remember that! ! ! See you in the Light of the Most Radiant One! Sat Nam! Namaste! Blaze the Violet Fire!. And World Peace Now!”

Sent to Lord Rama, with the title “I am 15 minutes old.”

Tuesday 3 deer and 7 crows; RanaMu

Rama: I sat with **3 deer and 7 crows**, about half way up the mountain, in the forest at 10:48 am mid-morning. They intuitively said to me, "Lord Rama, big solar flares continue to come in, again, today!"

They were quiet, and a bit nervous because of the wind. Then at 11:10 am, I went to see **RanaMu** for another healing treatment. She laid me out in lavender once again, using the rainbow lasers. She worked on me for about half an hour, while I was drifting in and out.

Then RanaMu said to me, "Lord Rama, what you are experiencing is the final moment of all the old stuff going away. I am here to tell you WE MAKE IT !!! It may not feel that way now yet it is so! These are the moments where we must, in every waking hour, praise, respect, thank and love all the feelings. I know the matrix has been hard on you; these wayward children are out of the frying pan and into the fire, now! Your biggest task is to send love to these dark ones while you, at the same time, remain in unconditional, divine neutrality."

RanaMu continued: "Lord Rama, we have Summer Solstice coming up this Thursday, June 20th, and the sun enters Cancer at 4:51 Eastern Time. Then on Friday, we have a full moon in Capricorn at 7:08 Eastern Time. Use this sacred time to send more love to EVERYONE! We are the ones! !! See you in the Light of the Most Radiant One! **Sat Nam! Namaste! Blaze the Violet Fire!**"

Wednesday

4 deer and 7 crows; Darby O'Dell

Rama: I sat with **4 deer and 7 crows** behind Fort Marcy Park, in the forest, by the stream, at 10:59 am this morning. They intuitively said to me, "Lord Rama, the wind is up; we will stay for a little while, and then we will go." They stayed with me for about 10 minutes, and then they took off.

Then I received a text message from **Darby O'Dell**, a full-blooded Irishman and Faction 3 White Knight. He said to me, "Lord Rama, I am in the countryside in Somerset, walking 3 dogs that I am caretaking. It's a beautiful day, and the sun is getting low in the sky.

"The solar flares continue to come in today. Everything possible to get NESARA Law announced to the world is proceeding forward in every hour of every day, by every single Faction 3 White Knight, of which by now there are about 50 – 60 all tolled.

"This Strawberry Full Moon in Capricorn, at 9:08 pm Eastern Time, Friday the 21st of June, along with the Summer Solstice at 4:51 pm, Eastern Time, Thursday the 20th of June, is going to lift all of us so much higher into the higher realms! Please put everyone in the Circle of Support, and **Blaze the Violet Fire! Sat Nam! Namaste!**"

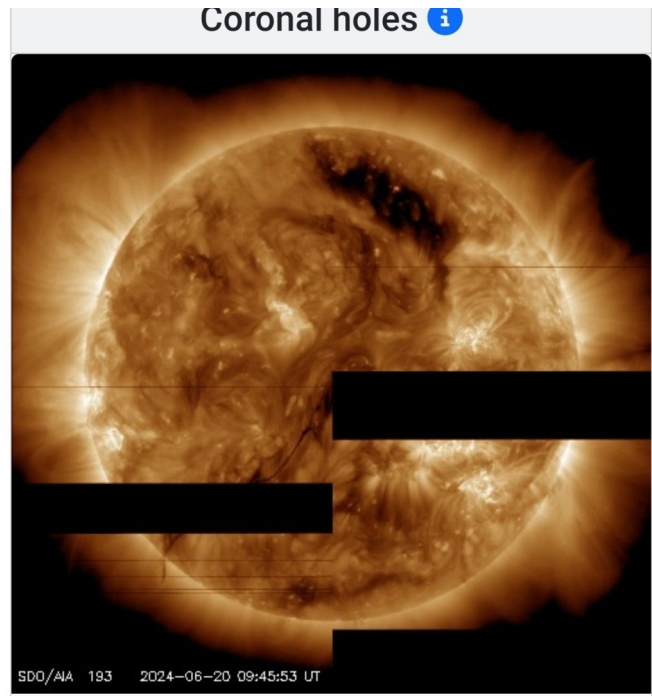

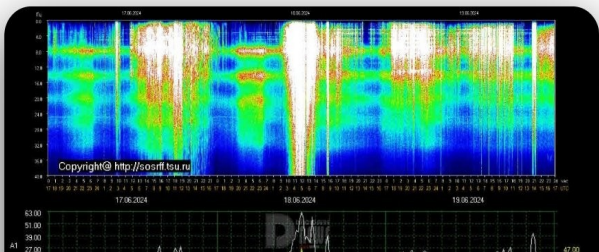

2024-06-20

Thursday

6 deer and 9 crows; Tom the Ringtailed Cat, Sweet the Cat, Larry, Curly, Mo, and Kay Tar Tek.

Rama: I sat with **6 deer and 9 crows**, near the base of Sun Mountain in the forest, off to the side of the road, at 10:40 am. They intuitively said to me, "Lord Rama, BIG energies are coming in from our sun, Sol, today." They were a bit nervous and ancy because of the wind. They kept pacing, and it was hot!

Then I received a text message from **Tom the Ringtailed Cat, Sweet Angelique the Cat, Larry, Curly, Mo, and Kay Tar Tek.** They all said to me: "Lord Rama, there are very large craft in orbit around the sun, and there is a coronal hole in the sun."

Then Tom the Cat said to me, "Lord Rama, Kay Tar Tek has been getting advanced training in the Pleiades; he now has the ability to shape-shift. He is working with other Paschats and other Galactic members of the Federation to remove the final vestiges of darkness from Planet Earth. You know the dark ones, on solstices and equinoxes, try to pull the energy down. It is not working any more! The Light is too bright!

**FROM Lord Rama: Kay Tar Tek, a Paschat from Mother's ship
(another handsome Paschat!)**

"With this full moon and summer solstice energy coming in, the flash is extremely imminent. These two craft in orbit around the sun, Sol, are **larger than The New Jerusalem** which is a 5,000 mile in diameter star ship, 12 tiers deep. There are about 5 million people on these two craft. They come from the Delta quadrant in our Milky Way Galaxy.

"These beings are both immortal and celestial; these beings are simply pure energy like the Sun. If they were to take on form, they would look like the seraphim or the Sephiroth which are sky beings 100s of feet tall! They are here to upgrade all of humanity, all of the animals, all of nature, and our physical sun Sol. Pay no attention to the old fear story; the beings who promulgate these stories will get their awakening now! Take care that all is in Divine Order. You will see miracles and magic afoot! It is about all of us taking back our power, with Love! **Blaze the Violet Fire! Sat Nam! Namaste!**"

**From
LORD RAMA:**

**Seraphim
and/or
the Sephiroth**

The Cauldron of Creation: Color, Light and Revitalization

CHANNEL: ARCHANGEL MICHAEL THROUGH CELIA FENN

The Cauldron of Creation: Color, Light and Revitalization

The Brilliant colors of the Auroras that were seen worldwide in May of 2024 were a manifestation of great changes on the Earth and in the Galaxy. The New Tree of Life template was activated via the Tree of Grace. The battle between Good and Evil that was the hallmark of Duality gave way to the Flow of Grace and Love that is expressed on Earth as Divine Love and Support from the Higher Levels of Light.

These new energies were activated worldwide via the Grids of the Sacred Sites that were once the sites of the Great Sacred Trees that connected together to form the Web of Life on Earth.

And so, as you activate the new Tree of Life Template in your Heart, you too become part of this Sacred Network of the New Earth.

These powerful vortexes and spirals of the new energy are the Cauldron of Creation of the New Earth. The Colors and Lights and Frequencies are helping to revitalize the Earth and activate the New Creation.

This intensity explains why you may have been feeling strange in the last weeks as you access the Sacred New Earth grids.

Here are some of the feelings you may have experienced.

On the Physical level:

1. Feeling very tired to the point of exhaustion. This is because your physical body is reconfiguring your DNA to align with the new templates and frequencies. This may include Muscle aches and pains and spasms, especially in the legs and upper back and neck areas. You will need to rest and practice self-care. Don't push yourself.
2. Feeling the Need to drink much more water and to eat simple organic foods where possible. This is to support the deep cleansing and changes in your body.
3. Very intense dreams that often have messages for you.
4. Feeling drawn to Nature and to be a part of the revitalization of Nature. Wanting to experience a complete immersion in nature, to feel the love and support of nature and trees and wildlife.
5. Feeling drawn to Natural Medicine and Energy Medicine.

On the Mental/Emotional Level:

1. A need to slow down. Time seems to be moving too fast and the faster you run, the more exhausted you become. In the higher dimensions, you have to slow down and breathe deeply to be able to work with these incoming Light Codes.
2. The need to live from an Open Heart and in alignment with Love and Compassion.
3. Deep Feelings of Peace and Harmony at times when you manage to slow down.
4. Feeling a need to live somewhere else or being moved by circumstances to your "new place".
5. Feeling the need to change your work or mission but not being sure what the next step will be because it hasn't manifested yet.
6. Feeling called to be a New Earth Way shower.
7. Feeling the need to find your Tribe or Community.
8. Feeling very "feely" with deep emotions from bliss to sadness. Feeling all of your feelings including vulnerability.
9. Feeling the need to create relationships where all people are empowered and loved and able to express their highest level of being.

On the Spiritual Level:

1. Deep feelings of connection to your Higher Self and Galactic/Star Self.
2. Knowing you are a Human Angel and a Galactic Being of Light.
3. Feelings of Grace and being supported by Divine Love.
4. Feeling blessed and living in abundance.
5. Deep love and compassion for all forms of life on Earth.
6. Wanting to serve Humanity and the New Earth for the highest good.
7. Wanting to express your Soul and Higher Self at all times.

These feelings are all indicators that you have moved to the threshold of the great shift into Higher Consciousness as a way shower, and that you will guide many people to this place of anticipation and joy.

May your path be blessed with love and joy at all times.

Lyrics:

Light one candle for the Maccabee children
With thanks their light didn't die;
Light one candle for the pain they endured
When their right to exist was denied;
Light one candle for the terrible sacrifice
Justice and freedom demand;
And light one candle for the wisdom to know
That the peacemaker's time is at hand!

Chorus:

Don't let the light go out,
It's lasted for so many years!
Don't let the light go out!
Let it shine through our love and our tears!

Light one candle for the strength that we need
To never become our own foe;
Light one candle for those who are suff'ring
A pain they learned so long ago;
Light one candle for all we believe in,
That anger not tear us apart;
And light one candle to bind us together
With peace as the song in our heart!

(chorus)

What is the memory that's valued so highly
That we keep it alive in that flame?
What's the commitment to those who have died?
We cry out "they've not died in vain,"
We have come this far, always believing
That justice will somehow prevail;
This is the burden, This is the promise,
This is why we will not fail!

(chorus)

Don't let the light go out!
Don't let the light go out!
