COR: talking to the Collective: important to remain in emotional calm – not get triggered as much as possible – don't take sides: release it all! Use "I wish you happiness!"

- We need to take good care of ourselves both physically as well as emotionally and spiritually Use mantras, tapping, whatever other

Rama, Tara:

- What's a trillion dollars?
- Last night on Colbert's The Late Show: would have to do something for 4,000 years to get \$1Trillion
 - and no one is talking about the fact that there are loads of Trillionaires – whose money is doing nothing!

One of my commitments is to promote human values based on common sense and scientific findings. What we need is more self-confidence, which comes from concern for others' well-being. The real source of inner strength and self-confidence is warm-heartedness.

Friday

Professor Nicodemus, Professor Steve

I received a **call from Professor Nicodemus and Professor Steve** again today. It was 11:10 am this morning. They said to me, "Lord Rama, the sun has a huge coronal hole in its southern hemisphere, and there are M-Class flares hitting Mother Gaia's atmosphere. There have been radio blackouts all around the planet.

"Things are getting exciting! These solar flares are stirring the pot as the exposure of the Dark Side continues. This is about the return of the Goddess . . . Astarte, Inanna, Diana, Ostara: all refer to the Warrior Goddess of Babylon.

"Stay in the high heart; things are really going to heat up with the full moon in Cancer, coming up this Monday, the day we celebrate Martin Luther King's birthday."

"All we are saying is 'Give Peace a Chance!' Sat Nam. Namaste! Blaze the Violet Fire!"

[Dalai Lama@DalaiLama](mailto:DalaiLama@DalaiLama) Jan 17

We can learn from the great achievements of Martin Luther King Jr. to recognize that non-violence is the best long-term approach to redressing injustice. If the twentieth century was a century of violence, let us make the twenty-first a century of dialogue.

Monday

Tom the Ringtailed Cat, Sweet Angelique the Cat

I received a **text message from Tom the Ringtailed Cat and Sweet Angelique the Cat** at 1:30 this afternoon. They said to me, "Lord Rama, we are at Stonehenge once again. The full moon, Wolf Moon, was setting on Stonehenge a bit earlier this evening. Let all the old energies go right now!"

"Goddess is here; the energies are very intense at this time. There have been minor quakes today in Tonga, near where the volcano erupted under the sea along Tonga's coast yesterday.

"On this day, honoring Dr Martin Luther King Jr, there has been a virtual Council meeting with the Intergalactic Wise Council of Elders. Among them were Chairman Archibald, a Dene Elder; Dallas Goldtooth, a Lakota Elder; and Grandmother Flora de Mayo, an ancient Mayan Elder, all indigenous elders of Turtle Island. This gathering was concerning earth changes going on. The Pacific Rim of Fire is fully activated."

At this point, Tom the Cat and Sweet Angelique the Cat said, "The 13 families are being rounded up, whether we see it or not; it is real. The Light coming in is unprecedented. Stay in your high heart; it is going to get very testy now! Remain in unconditional Divine Neutrality. Sat Nam. Namaste. Blaze the Violet Fire!"

Tuesday

Rosa from Palestine

I talked with **Rosa from Palestine** by text today, at 12:30 pm early this afternoon. She said to me, "Lord Rama, there is a Palestinian family being kicked out of their home and off their land by the IDF – Israeli Defense Force, even though this land has been in this family's ownership since before the 6 Day War in 1967, thus before Israel had any false claims at all to Palestinian land."

Rosa continued: "There was a stand-off; things are tenuous at the moment! Meanwhile, Mr Netanyahu is in hot water for refusing to answer to a subpoena to testify in his corruption case. He's being charged with money laundering, bribery, and falsifying records. He is also being charged with domestic and international war crimes against the Palestinian people.

"The starships continue to come in all the time to Palestine, bringing food, water, medicine and other basic necessary supplies. The ships have the ability to vanish instantly as Israeli drones and war planes fly overhead. Place all of this in the Circle of Support. Enshallah! Sat Nam! Namaste! Blaze the Violet Fire!"

Wednesday

Lady Nada, The Nameless Ones

At 11:38 am this morning, I received a **text message from Lady Nada and The Nameless Ones**. They all said to me, "Lord Rama, we are at the Taj Mahal. It is sunset; we are incognito - meaning we look like tourists. As Jimmy Hendrix has said: 'As the people of Earth overcome the love of power, with the power of love, there can be peace on Earth' and added by them: 'right here, right now!'

"Let all the old stuff go – NOW! It is just 'stuff'; we've all got 'stuff'. As we are in Sat Yuga, the old stuff does not apply any longer! Sat Nam! Namaste! Bless you! See you in the Light of the Most Radiant One! Blaze the Violet Fire!"

The Taj Mahal – sent by those named above!

Thursday

Larry, Curly & Mo

I received a **text message from Larry, Curly & Mo** at 12:15 pm, early this afternoon. They said to me: "Lord Rama, there has been a big row going on in Parliament today. Boris is being called on the carpet to step down. As the saying goes, he's a party animal!"

"There is, around the Tory party, blackmail, corruption and fraud going on regarding one Tory party member who is threatening another Tory party member and saying, one to the other: 'You need to vote with the majority of us or we will cut off funding to your constituents in your district.' The threatened Tory party member reported this threat to the Speaker of the House of Parliament. The Speaker told the threatened Tory party member: "You need to report this threat to the Metropolitan Police in London, Sir!"

Meanwhile, the Sabian symbol for this solar/lunar year of 2022 has shown up in today's *Oracle Report*: " a woman in pastel colours carrying a heavy and valuable, yet veiled, load. This Sabian symbol is about transformational change on a planetary scale.

"As the Deep State of the United State, through NATO, is playing with creating a False Flag event in the Donbass region of Ukraine on the border with Russia, there could be an interruption in planetary communication . . . AND Captain Ashtar or his representative of the Ashtar Command will take to the airwaves, and we will have a different kind of discussion about how we can all create PEACE NOW!"

"Stay in the high vibrations; this is the time; this is the place. Sat Nam! Namaste! Blaze the Violet Fire!"

R: reports on other items he is aware of

- heard a story today that Davos meetings were going on virtually – and they are all holograms, clones - all the old structures of the Kali Yuga are collapsing
- the Vatican being called on the carpet: for all kinds of issues!
- Pluto is in the midst – or Haydes! - brings up all that has to be unearthed and be brought to the light – not all is pretty!
- Another M Class flare today: adds to the increasing frequencies - need to be in a state of balance
- and **Verizon and AT & T have played with 5G** and put it in 45 cities – airline industry talking about the danger of this, as the 5G interferes with the altimeters in the planes
- **Everything is BS ! He's being told – Drop it!**

Today's Oracle Report:

["Pluto's Rainbow" - Thursday, January 20, 2022](#)

<http://www.oraclereport.com/blog?offset=1644933717801>

The clarity that comes with the end of a Full Moon phase is on our side today.

The Sun released an M5.5 flare at 5:41 am UTC at the Sabian symbol of "after a heavy storm, a rainbow." This helps us tackle the stress and pressure of the Earth discharging "under emotional stress, blood rushes to a man's head."

It is likely that the world's "headache" — the two minions of the archons — will become fired up with emotional reactions.

The symbol for this cycle is "a fire worshipper meditates on the ultimate realities of existence." We The People are meditating on the ultimate reality that truly there is one way — peace on Earth. Energetically, the minions of the archons are actually IN the fire. This is why we see geopolitical "acting out." They believe that turning the world upside down will bring them control. They are desperate to stem the tide of their demise.

Remember, the archons are leaderless. They now follow an AI that is infused with the consciousness of the "chief archon," Yaldabaoth. He returned back to Source a year ago, but his simulation does not equal him.

The AI does not understand the nuances of astrology. This is why We The People will win the war with the archon AI. Making geopolitical aggressive moves during a VENUS RETROGRADE, much less within a Mercury retrograde, is dumb.

Is there anyone left on the globalist's side who understands astrology? Any maneuvers for anything — world wars included — are premature before March 1st. Venus comes out of the shadow of its retrograde on March 1st. Wisdom teaches us to remain still during Venus retrograde.

What happens on February 20th? The US experiences it's first return of Pluto. This means Pluto is returning to the place in the zodiac where it was when the US was formed on July 4, 1776. The wild archons are going wild for this. They think it means their new world order comes to fruition.

The internet is going wild for this, too. Everyone is buzzing, getting fired up like the "man under emotional stress with blood rushing to his head." That is being IN the movie, not at work for Second Renaissance. We are aware of the dramatics of the world theatre and understand that the world theatre will impact us directly. We are not deterred. We remain focused on creating what the audience at the movie will experience when they come out of the movie (The Matrix), ready to experience a second rebirth.

Pluto IS the mechanism for Second Renaissance.

Today we are LINKING. Mars is discharging "an old bridge over a beautiful stream." We will bridge the gap between the old world and the new world through CONSTRUCTIVE THOUGHT. We have our eye on making the Sun's flare about a rainbow real.

Discussion of 'retrograde' – and Pluto moving from retrograde – July 4, 1776

- Venus retrograde – looking at how to apply loving presence to the immediate past ! - using the new insights gained over last few years and to respond differently – ie not react!
 - Praise is the highest form of love: always find something to praise in folks – genuinely!

COR: about the Intergalactic Council Meeting -

R: Only some indigenous elders were present, not all

- There are also technologies he is not privy to, in order to make the connections

COR: Is this a new development?

- Yes because of the earthquake, and tsunami warnings – wouldn't put it past the dark side to create this because they know their time is up NOR can they escape! Musk has grand dreams of leaving the planet yet if they don't come from a place of balance and love, but with the idea of conquest or mining something
- Patti Cota Robles talk about asteroids, etc as messengers with messages for humanity
- and the irrefutable evidence from Saturday's call – there is no way the arrests are not going to happen! ! !

Micah: here in Canada, there are 70,000 + truckers convoying from the west to the east coast – Jan 23rd reach Ottawa by the 29th – and 70,000 truckers will be in front of Parliament and demand that

- there are maybe 2% that have any concept of the depth of what is happening . . .
 - and a trucker in another video: they just want to be left alone and, now as they are now being interfered with, they are now getting into activist mode

T: asking if being in 'the egg' of Keshe would remove the 'razor bits' inserted in the body

T: recognizes that Keshe has something divine in him

RGM: which is more than any doctor has! ! !

COR: is there any point that the dark ones thanks to their bad behaviour would insert themselves – or does it have to be a quiet thing?

R: nuclear power and playing with what they have at their finger tips – would be a trigger! ! !
the fear is destroying a lot too and is being pushed by the dark side – yet the energies coming in are changing that spontaneously – serendipitous energies; the quantum field stepping in – it knows that

- a certain point has been reached

T: people are waking up faster that the dark side expected . . .

P: about 5G and has read about Australians taking down 5G towers

- and yes, it's a big deal – and violence doesn't solve anything!

T: there are people speaking up and risking their lives

- about the 5G – Steve Colbert did something at the beginning of his show – if you see any planes going down, you know who to blame! ! ! [Airlines don't like 5G! ! !]

T: last paragraph on p 4 add it in! ! !

2022-10-18 Imagine (John Lennon) | Playing For Change | Song Around The World

<https://www.youtube.com/watch?v=bvFLKyAGzzi>

[Playing For Change](#)

In the beginning of 2010, the Playing For Change crew began work on a new Song Around the World, John Lennon's "Imagine." It has been an amazing year of production, taking the crew from the favelas of Brazil to the shrines of southern India, from villages in Nepal to the glittering urban landscape of Tokyo and New York, and beyond.

This song is the Playing For Change Foundation's gift to the world. The Playing For Change Foundation feels honored to have the blessing and generous support of Yoko Ono as music lovers around the world join together to launch the Power to the People campaign. The campaign seeks to advance John Lennon's vision of peace by engaging artists and audiences to contribute to music education programs worldwide. Proceeds raised will help build music schools, support teachers and music programs, purchase instruments, and connect schools for cross-cultural learning and conflict resolution across borders. Music IS the power: Power to the People.

To learn more about the PFC Foundation, the schools they are building, the lives they are touching, and how you can participate, please visit the Playing For Change Foundation's website at <http://playingforchange.org/>
