To our readers: Rama's White Knights Report, for the most part, will present information from Rama's contacts on very current events. Sometimes, additional commentary may show up, in the form of more explanation about an important issue, or as an article inserted to provide more insight on the subject being presented.

2024-05-17 Friday 2 deer and 16 crows; Julio

Rama: I sat with **7 deer, 4 crows and 2 Calico Cats**, halfway up Sun Mountain off the road in the forest at 10:49 am this morning. They intuitively said to me, "Lord Rama, again big energies continue to flow in. Go and sit by the river."

Then I received a text message from **Julio**, a friend of #15 at 11:29 am, late this morning. Julio is a treasure hunter who lives in Jamaica and he is a Faction 3 white Knight. He said to me, "Lord Rama, the energies that are coming in right now from the solar flares and the plasma rainbow rays, they are the highest energies Cosmic Law will allow for this NOW moment. What has been going on for a long time, yet has been going on behind the scenes, is now coming forward in a stronger way. It is the wisdom of the Quantum Field and how we are all entangled in it. As we do our sadna and our greater collective spiritual work, we become more connected with each other at the 5th dimensional level. Our greatest task at this time is to untangle ourselves from the matrix, from these lower energies, and focus more and more on the ascension energies coming in NOW, at quantum light speed. May the Force be with you! **Sat Nam! Namaste! Blaze the Violet Fire!**"

2024-05-19 Sunday 19 deer and 9 crows; Lady Nada

Rama: I sat with **19 deer and 9 crows** off the roadside on the way to Abaque, in the forest about ½ hour north of where we live. They intuitively said to me, "More big energies keep coming in." The wind came up and they were quite nervous. After 10 minutes, the deer and the crows disappeared.

Then I received a text message from **Lady Nada**. She said to me, "Lord Rama, this Pink Flower full moon is exponentially going to raise the energies. It will be at 9:53 am tomorrow morning EDT. We are on the positive timeline. Stay with the high heart energies: THAT is how we heal the world. This is a Wesak full moon, as it is called. There is much magic afoot. **Sat Nam! Namaste! Blaze the Violet Fire!**"

2024-05-20 Monday 4 deer and 9 crows; Lady Nada

Rama: I sat with **4 deer and 9 crows** for about 20 minutes at the I AM Sanctuary Grounds in Santa Fe at 11:29 am this morning. They intuitively said to me, "Lord Rama, stay with the joyful energies coming in." Then I did the Adi Shakta mantra 6 times with the deer and the crows for another 20 minutes.

Then I received a text message from **Lady Nada** at 12:09 pm, early this afternoon. She said to me, "Lord Rama, I am here at The Hague, and the Chief Prosecutor has told the world "There is enough evidence that the ICC has collected to issue arrest warrants for Prime Minister Netanyahu and President Joe Biden to be charged for international war crimes and crimes against humanity.

"Of course, Prime Minister Netanyahu and President Biden both condemned the charges and called them bogus! ! They will be held to account by myself and the Solar Tribunal Council because the Solar Tribunal Council on Saturn is the benevolent overseer of the affairs on Earth. They are the equivalent of The Jedi Council for our local Milky Way Galaxy..

"In the meanwhile, this full moon is a very big deal! Indeed, it is The Pink Flower Full Moon - all the cherry blossoms are coming into full bloom. There have been very big solar flares in the last 24 hours and the strands of solar light coming in that look like very bright Christmas lights - these could be plasma energies that have actually made it into our atmosphere and they are lighting everything up. This is a very good thing!

" Please do the spiritual work or sadna every day. This we get our Jedi powers back - or siddahs. See you in the Light of the Most Radiant One. **Sat Nam! Namaste! Blaze the Violet Fire!**"

Tuesday

4 deer and 5 crows; Tom the Ring-Tailed Cat, Larry, Curly and Mo

Rama: I went and sat with 4 deer and 5 crows in the forest, half way up Sun Mountain, off the road, at 11:23 am this morning. They intuitively said to me, "Lord Rama, big energies keep coming in! We love you!" Then one of the does came and licked me on the side of my cheek! It made me cry! Then the wind came up and they were gone.

Then I received a text message from **Tom the Ring-Tailed Cat, Larry, Curly and Mo** at 11:35 am late this morning. They said to me, "Greetings, Lord Rama. There were 8 M Class solar flares since midnight this morning, mountain time, and now! The energies are getting

higher and better each day. We know how intense this time is for everyone on Mother Gaia. We tell you again: In loving presence, leave the matrix alone! It will only drain you!

"This full moon coming up is a very big deal! Think of these full moon energies coming in as pink cherry blossoms falling into your hands! Whatever the problems are, Love is the answer! As you really knew the power of the Violet Flame and what it can do, there would be no more wars on Planet Earth!

"We are in the most awesome time ever! You will see us as you least expect it! That White Rabbit in your back yard knows about us: follow the White Rabbit! ! She knows the way to the shuttle craft! **Sat Nam! Namaste! Blaze the Violet Fire!**"

Wednesday 3 deer and 7 crows; Mr X

Rama: I sat with **3 deer and 7 crows**, up Canyon Road by the river, across from the Arboretum, the bird sanctuary, at 11:35 am late this morning. We sat with them and did the Adi Shakta mantra 3 times.

Then I received a text message from **Mr X** at 12:05 pm, early this afternoon. He said to me, "Lord Rama, there were more M Class Solar Flares today. What is coming in is the dawning of this Sat Yuga Age. It is the return of Kalki Maitraya, the 10th incarnation and initiation of Lord Krishna. The time of the Mahdi is at hand, as every day there are more and more star ships being seen fully decloaked everywhere over Mother Gaia. This is a call to everyone that, as we call in our Galactic Brothers and Sisters, they will show up. As we do our spiritual sadna, these events happen more and more – by the nano second!

"What we understand about time, is that time is being stretched. What we inner stand is that now our 24 hour day adds up to 12 hours. Therefore, our bodies and our consciousness are getting stretched. So we need to take the time on a daily basis to do our spiritual work; then we can integrate these energies. See you in the Light of the Most Radiant One. **Sat Nam!**
Namaste! Blaze the Violet Fire!"

Thursday

6 deer and 3 crows; King of Egypt

Rama: I sat with **6 deer and 3 crows** today, over by Sun Mountain in the forest, off the side of the road, at 11:45 am this morning. They intuitively said to me, "Lord Rama, thank you for the food today. We love you! Stay low key! There as, on every day, more big energies coming in today."

Then I received a text message from the **King of Egypt** at 12:10 pm, early this afternoon. He said to me, "Lord Rama, I am up here in the Wesak Valley with the Nameless Ones and their community. I am getting up every day at 4:30 am; I am doing yoga and meditating to begin the day. Then we make breakfast as a community. I have become a vegetarian and given up my old ways of life."

I asked him, 'Was that hard for you to do, Commander?'

The King of Egypt answered me by saying, "It has been a challenge. I have been practicing my new way of life for about 6 months now; I feel much lighter in my body and more in touch with the Universe.

"There are huge energies coming in today, with this full moon in Sagittarius at 9:53 am, early this morning. At this time, the world is needing more love. The old ways no longer serve. We are a planet of the Rainbow Colours.

"In order to stay in these 5th dimensional energies, we must stay in our high hearts, forgive ALL the old stories: they are just that – old stories! I have learned that no matter how much money we have, it doesn't buy our way into heaven. I have been there with the high and mighty; no longer!

"In order to handle these energies, we must do our spiritual work every day! See you in the Light of the Most Radiant One. [Sat Nam! Namaste! Blaze the Violet Fire!](#)"
