CONFERENCE CALL

Pad: describes her moth problem and what she does to clean up the situation

Chin: in Florida there are some kind of bug; he goes after everything the minute he sees one!

- Cockroaches – and there are ones that fly which are bigger than cockroaches [palmeadow bug]

CJC: about the Philippines – saw cockroaches coming across the floor, told Jr about it and The cockroaches left the room, as Jr told them to go!

Pad: has tiger spiders who make their home at her front door – just for the night: catches bugs

Pad: asking about Iran

R: we've been told that the nukes don't work

- the 13 families/Empire don't want to lose face – yet they will!
- This is about the story of the fallen angels – pieces come together in some areas, but not enough to -fit the whole story - doesn't explain the entire spiritual hierarchy – there is all conscious energy and they don't want us to understand this
- the middle east – the sacred sites there – the grid points in the Middle East bring in cosmic energies and one is Hydrogen -

talking about the Periodic Table – and how students were required to memorize it – and it was boring, deliberately, it sounds like. . .

- Vibranium and others are part of that table, but not discussed – galactic energies

a wilder thought from ancient aliens – the slaves serving Enki and Enlil and others – used to feed E & E monoatomic gold in some form: they actually ate it! And it changes your body if you eat enough of it

R: it opens up your chakras, stars above your head – need to integrate into the regular life

- brings up idea of seeing portals – and Tom the Cat says you gotta think about this: you might not be able to get back if you just take a chance and can't come back! ! !
- has seen episodes on Star Trek where they go backwards and forwards: the holodeck is on its own

all the episode of Startreks and Deep State 9 used to play – now bought by some one

- it's an obscure channel – would play them and could see all of them, and then start again . . .
- and that was good for fresh eyes to see and/or to review

T: The mayor of Dearborn, MN was on MSNBC on the Reid Out last night: said 70% of all structures in Gaza were destroyed

R: a sci fi show called *the walking dead* – sort of what's going on in Gaza - a real horror show

- we are part and parcel of it and people lose their jobs if they talk about what is going on – or get threatened or killed

Tactic• al Tim – there are people on Cassiopia; they look like us and are less warring in nature

they already do trade with us and would do more if they were not so concerned about our behaviour

R: Cassiopia is a constellation

Asking Rama about what Tactical Tie, Emery discuss – this goes into the different galactic races warring with each other – sounds like Tim and ES are still in 3D/5D area

The question is how far afield does the era of peace spread – part or all of the Universe of Nebadon? ? ?

2024-02-01 The Star Child Transmission: Invoking Angelic Support, Soul Tribe, Star Races

<https://www.youtube.com/watch?v=SXhMtqytXvw>

1:00:00

[Steve Nobel](#) Feb 1, 2024

This remastered transmission (originally created October 2018) clears the energy field, clears any negative projections, and connects the star child (whether an aspect of yourself or another being) to positive energies from their Higher Self along with and other helpful beings that are incarnate and also disincarnate in the Spirit Worlds. Finally, it also connects the star child to star races they feel a natural affinity with.

Because this is an old track, some of the symbols used for calling the Archangels are a bit out of date, though they will still work. Those who have experienced my work will know what symbols to use!

****Two Ways to Use this Transmission.****

This transmission is to be used first on your own inner child and then using this track it can be used on a star child who is a blood relation or you have legal guardianship. This transmission is ideal for parents of Starseed children. (When using for a blood relation child during the transmission you will be invited to ask their Higher Self for permission to proceed. Please note sometimes you will not be granted permission. This must always be respected. Sometimes it is simply a question of timing).

In this transmission, the Golden Rule is less is more. More light is not always the right thing. It is a question of the right intensity of light at the right time. This is very important. Too much light can feel detrimental. Too much light for a star child can shift things too quickly. Always be guided by your inner wisdom and your Higher Self as well as the Higher Self of the child.

Star Children have been coming in waves since the 1940s, with more waves in the decades following. Star Children have come to Earth with a very special mission – to recreate a global human community based on soul qualities such as love and harmony. Star children are highly sensitive and feel that Earth is not their natural home. There are three types of star children: Indigo, Crystal and Rainbow. The Indigo Children are rebellious and warrior-like in spirit. They came to challenge and shake the system. Crystal children are usually more easy going; they are highly empathic and imaginative. Rainbow children are the most recent wave and are innately connected to their Higher Self and the Spiritual Dimensions. Rainbow Children typically are new to this dimension of the Earth.

Music is by Matías Romero Acuña (Aural Sound) and the track is called Mystic Flow Binaural Beat Delta

MOTHER / ALCYONE [M/A]

Greetings in the Light of the Most Radiant One! In the Office of the Christ and only in the Office of the Christ, we invoke the loving energies of St Germain and the Violet Flame!

Greetings Children of Ra!

T: Alcyone?

M/A: There are many of us here. Happy Candlemas; Ground Hog Day!

T: Imboloc and Punxsutawney Phil Day!

M/A: And early spring – the energies are pouring in. it's about love: what's happening in Gaza is an ancient story that is coming to conclusion. Genocide is not an answer

T: you mean the last 2000 years or more?

M/A: or more! That whole region is a complicated story 'cos of the ancient vortexes, grid lines. so much of the Middle East is this old story of Atlanteans having to suddenly move refugees to a new place called Egypt

T: they are draggin' their wagon' at the moment!

M/A: they are in indeed; war is never the answer.

T: It's been - even to her, and others, - such a shock; not quite sure what the point is
Is it supposed to shock people into their senses??

M/A: What's happening is the last little bit of this ancient story of power and control; and they - her wayward children - are fighting with each other.

M/A: Send more Love

T: the shock of it is the whole world is watching and a single person is deciding to kill a whole race of people

M/A: Yes, and what they can say about that is: there are so many of us that are here, cannot give you a date or time, yet this will end and that time is in this present moment.

- Since all time is now – with the quantum field engaged - this is a concluding story.

T: (trying to form her thought)

M/A: Yes?

T: Yes we heard this that every single soul who chose to incarnate as a Palestinian knew what they would be facing – is that . . .

M/A: Yes, there is that awareness, that (at) this particular time on earth, there would be these transforming changes, challenges that many souls asked to be here at this time to transfigure so much of the old.

- It is coming to conclusion, even though it doesn't look that way. It is about the light pouring in; there are so many awakening now that is changing everything.

T: It's hard to gauge

M/A: it is about they know their duty but they are doing so many across the planet are coming together in one voice to say war is over.

T: one minute in the like-mindedness of this group of us and the next moment. we see Drumphers still acting like adolescent or toddler souls – peace now is

M/A: It is all part of the conclusion of this ancient story of Kali dancing the death and, at the same time, there is everlasting life. Even though it may seem and look like Mordor, we are in a 5th dimension: Sat Yuga. We didn't say it would be easy!

T: that famous line of Buddha:

M/A: piece of cake!

T: he said: Pain is inevitable; suffering is optional.

M/A: keeping one's consciousness in the old timeline perpetuates Samsara. this is why we meditate and work with the higher energies and not allow the matrix to pull us into the lower dimensions

- That is what they want: Fear keeps them . . .

T: we just . . .

M/A: What Steve Nobel just shared: gotta lift it higher and leave the walking dead alone!

T: that brings up . . .

M/A this - all these life forms that keep to spout their ideas about this or that -

T: was thinking about Christopher and Danny's brother Jeffrey made a choice to take his own life.

M/A: There are many that are leaving because we are in this particular moment where the pressure is on to raise it up, and that's a difficult one in the concept . . .

- There are no jewels so to speak how to raise one's consciousnesses out of the false belief structure of false gods who want a blood sacrifice – doesn't work. It's an endless cycle.
- There are - we can say for all the souls leaving: how many more are coming in to take up the slack, the same: we are here, and it is complete ; earth is ascending with her children
- our wayward children are taking a little ride – it's that simple

T: Is that gonna do it? Those who are not getting it . . .

M/A as we remove that group of soul energy, you will experience on this planet such an upliftment in your hearts – it's about cosmic orgasms! ! !

- Darkness has allowed for 26,000 years; it's about time it ends

T: brings to mind the Armageddon theme – the chapter of Revelations; you said that scenario that we have 1000 years of peace and then it stands all over

M/A that is an old timeline that is cancelled.

no more infinite samsara.

T: ecstasy and bliss for ever?

M/A: About it! ! !

There are many places throughout this galaxy and other galaxies - war is unthinkable

- "What is that?" they would say; " Why would you do something like that?"

T: Good question!

M/A it is about getting stuck in a frequency that there is a process of healing and lessons to be learnt;

- earth is not a prison planet and no one is a slave here: we all had free will choice to say yes or no to show up here
- and we made the conscious choice to step in in loving presence to change this present reality
- It takes - it is a gift beyond measure to have this [body]

- And what's happening is this separation from the heart; that's why everything is moving back into the feminine goddess energy: the male patriarchy has to go

T: is already in its denouement

M/A some of the younger souls are yet to realize it - and love them even more in their ignorance and bless

T: it's not really that; it is fear underneath it all

M/A: they are afraid of what they can't understand or inner stand or over stand - have no concept of that That was conveniently inserted into the matrix by our children to create that concept of separation

- there is no separation between souls and the Rainbow race is here as is spoken of by the throughout the indigenous nations of Turtle Island
- It is coming to pass - and it is coming to pass in spite of our children's attempts to waylay it

better to go

T: until we meet again

M/A: Indeed, in loving presence, and this is the time to be here in a body and don't forget it!
We know how difficult the energies are

T: if there is anyone doubting this – if there is some hope you can give them . . .

- She has been confronted by people . . . the most recent thing of the ICJ falling short as Carlton sent them the message, fell short of ordering a cease fire – they ordered him Israel – the ICJ cannot indict a country or a state
- and we know Israel is a state of the US which means, Netanyahu, in a sense has to answer to Joe Biden, but Joe Biden is being a wimp and being complicit with him like Netanyahu is running the show! What is going on here?
- And Margery Taylor Green started this: something put out there on the Thom Hartman Show that Texas never really ratified as a state

M/A: Yes it has been ratified as a state

T:

M/A: and everyone has an opinion like their southern end!

M will put it in duck duck go (Ie, have Rama look it up!)

T: and they are not subject to the federal law

M/A: it has to do with the story of skin colour. Nobody was born any less than or more than another

T: this goes back to the story of Jesu was a brown person ,. . an Ebionite and had long flowing hair

M/A: Yes this is the beginning of the different 12 tribes of is ra el, of the people who came from the place known as Egypt, Palestine, the whole area there –

- as more comes out about the vortexes and sacred sites throughout this area, it is about the galactic origins

T: there was a 13th tribe, and in general, in earlier times, they talked 13 moons being a cycle not 12;

M/A: the Mayan was 13:20, not 12 13, not 20

- it is about changing the timelines and changing the consciousness of souls, messing with the gravitational field of the planet.
- Cannot own a planet; none of them are for sale. They are living beings and we are part of her and and she is part of us - "Every part of this earth is sacred to her people!"

- We'd better be on our way

Both: Greetings in the light of the Most Radiant One!

Kodoish, Kodoish, Kodoish Adonai 'Tsebayoth

YHWH

Holy holy holy is the Lord God of Hosts
Illumine Illumine Illumine

M/A: Remember . . .

Rama Returns: was on the New Jerusalem, one of the briefing rooms – a packed room with all kinds of galactic dignitaries, ambassadors - it was about the time we're in;

- we're gonna see what it means: today it looks like this; the next minute it's totally different

T: so the story about the ICJ saying we could be waiting for another 4 years to handle the cast

R: that is **part of the illusion of the matrix**. What he's being shown is that the energies pouring in are transforming our space/time reality, where nothing is at it seems – hard to explain

T: Such a big sort of space between – Don put it clearly: there is a religious evangelical group that wants to

R: to spread the message of the false prophets showing up; that is an ancient story which has been cancelled

T: they say very specifically that they will get 100 years of peace, not 100,000

R: **that is illogical to quote Spock** and the design of what is going here in, in the grander cycle of what the ancient super civilizations are saying: we are moving into Sat Yuga; Goddess is here, and magic is afoot - we might be sitting down with Krishna for rice and ghee!

T: we are goat herders now, is that it?

R: goats are OK – he had one

T: explains that Rama's goat would come into the house at 4 pm and turn on the TV to watch ??

How does a spiritual guide and intuitive healer unite metaphysical reality with modern, everyday life — from co-creative spirit painting to working with stone circles at sacred sites?

George Noory and Bridget Nielsen discuss the energetics of healing fields, frequency technologies, and seven-generation resonance. Nielsen identifies Yosemite and other US national parks as natural temples with portals similar to those found along ley lines of our planet's energetic grid and instructs how to align with the Earth Star Chakra. From DNA activations comparable to a psychedelic experience without use of a substance, Nielsen has accessed her highest genetic expression as an anchored, embodied...
