Rama's White Knight Report

May 09, 2024

May 02, 2024 – May 09, 2024

To our readers: Rama's White Knights Report, for the most part, will present information from Rama's contacts on very current events. Sometimes, additional commentary may show up, in the form of more explanation about an important issue, or as an article inserted to provide more insight on the subject being presented.

2024-05 03 Friday 6 deer, 4 crows, 3 foxes; Rosa from Palestine et al

Rama: I sat with 6 deer, 4 crows and 3 foxes today, off the road on the way to La Tierra, a bit north of Santa Fe, at 11:40 am late this morning. They intuitively said to me, "Lord Rama, the energies continue to get better and higher each day." Then I did the Adi Shakti mantra with them, 3 times. The 3 foxes' eyes were transfixed on me the whole time. Then the wind came up, and they all scattered.

Then at 12:02 pm, early this afternoon, I received a text message from Rosa from Palestine, along with The Poppy Lady and FingDell Noor and the rest of their crew. Rosa said to me, "Greetings, Lord Rama. The head of Al Sikh hospital died today from being tortured in an Israeli prison for 4 months. PLEASE PLACE ALL OF THIS IN THE CIRCLE OF SUPPORT! Sat Nam! Namaste! Blaze the Violet Fire!"

FROM LORD RAMA:

"Look at the pic . . . see anyone you know?"

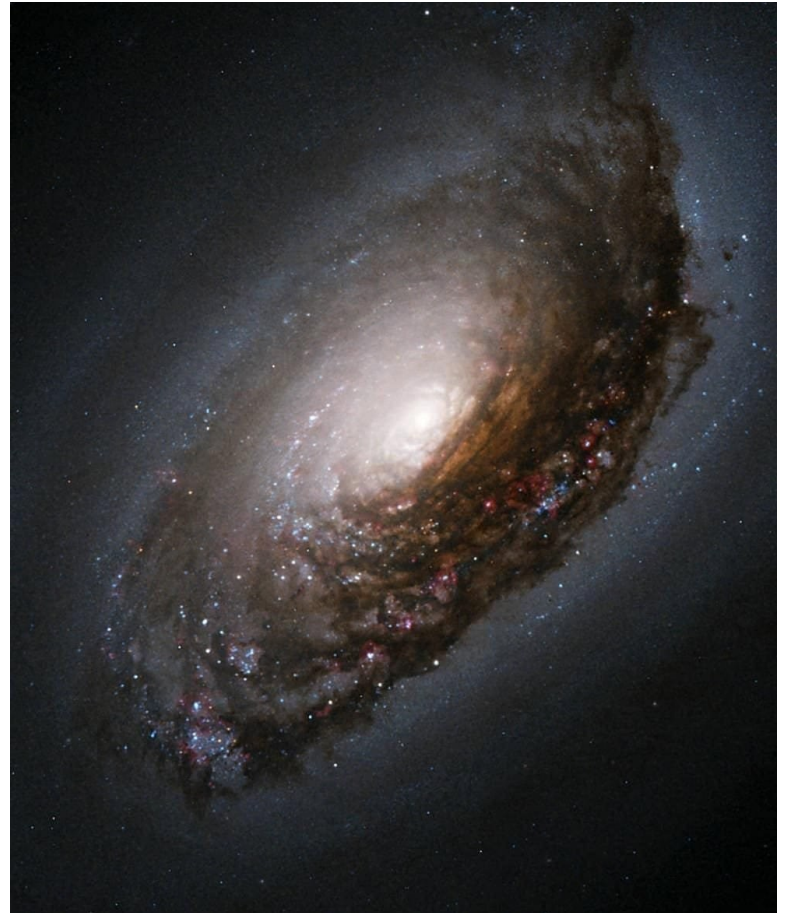

2024-05-05 Sunday 3 deer, 2 crows, 2 black kitty cats

Rama: I sat with 3 deer, 2 crows and 2 black kitty cats, off the road in the forest on the way to Chama. They intuitively said to me, "Lord Rama, the wind is high; the

energies are strong." The deer were a bit nervous; they stuck around for about 7 minutes, and then took off! The crows and the cats stuck around for a little bit longer. Then they took off too! The wind was blowing about 40 mph.

Then I looked on my phone and saw that there had been an X Class solar flare. Call us in! Stay in the High Heart. [Sat Nam! Namaste! Blaze the Violet Fire!](#)

Monday

7 deer, 4 crows, and a calico cat

Rama:

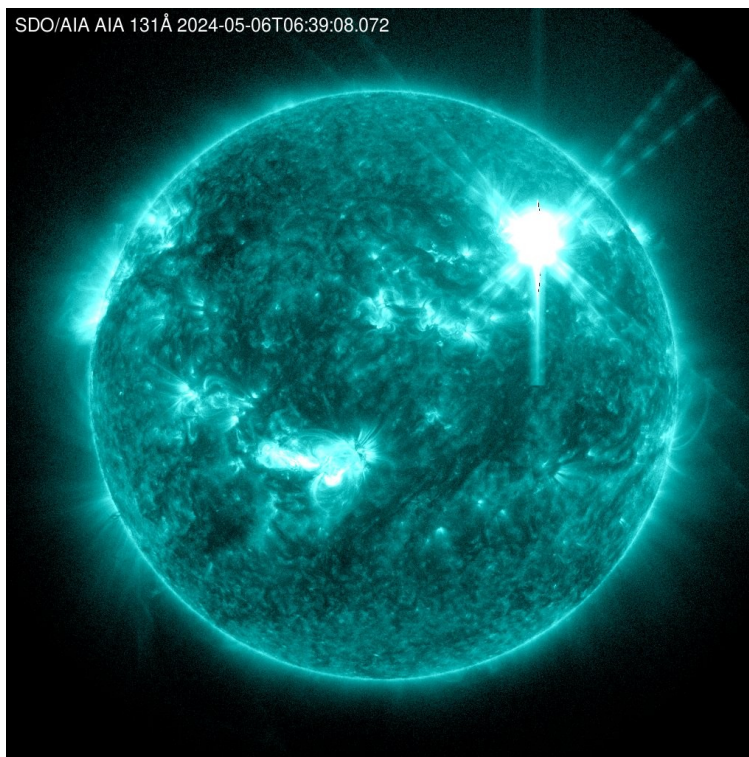

I sat with **7 deer, 4 crows, and a calico cat** in the forest behind Fort Marcy Park on the way up the mountain, off of Old Santa Fe Trail, at 11:40 am late this morning. They intuitively said to me, "Lord Rama, very high energies today. Stay with nature and be positive!" I did the Adi Shakti mantra 3 times with them; they were present for the whole time, and then off they went!

Then I tried to call folks, yet I wasn't getting any answers from my regulars. Then I was invited to call Number 15! As I called, I got a message machine. The message told me to call Julio so I did! Julio answered, and he said to me, "Greetings, Lord Rama! I'm from Jamaica, and I spend a lot of time in Haiti. I am a bit of a treasure hunter; I have found 3 treasures in 3 sunken ships from the waters of the Caribbean all the way down to the Mato Grosso Sea off the coast of Equador. I have rescued various ancient treasures and given them to their respective countries that their history is related to, for the purpose of helping the poor and the hungry who live there. Some of the treasures I have found go all the way back to Atlantis and Lemuria. For example: crystals that were part of the Great Crystal of Atlantis, and statues that have magnetic presence."

Then Julio said to me, "Lord Rama, I am getting another call and I must go. **Sat Nam! Namaste! Blaze the Violet Fire!**"

Tuesday

5 deer, 3 crows, caretaker Charlie

Rama:

I sat with **5 deer, 3 crows, and caretaker Charlie** of the I AM Sanctuary of Santa Fe, at 10:55 am this morning. We all did the Adi Shakti mantra 3 times and then a big wind came up and the deer were gone. The crows stuck around.

Then Charlie said, "Lord Rama, there were more big solar flares today. These flares are changing our molecular structure by the hour. As we tune into these energies, we can resurrect our bodies into the 5th dimensional level. What we're experiencing in these times, is these resurrection energies which come directly from the Hunab Ku, located at Super Galactic Center. The Light that is coming in is most unique, in and of itself. It is the plasma that is the same as what is in our veins, called hemoglobin or blood. This plasma or gold dust is in all living things. The key to physical immortality is in us. Listen to The Force. It has all the answers. I must get back to work, and you must be on your way! [Sat Nam! Namaste! Blaze the Violet Fire!](#)"

FROM LORD RAMA:

"Call us in!"

2024-05-08 Wednesday 6 deer and 9 crows; and the Paschats

Rama: I sat with **6 deer and 9 crows** on a hillside off of Bishop's Lodge Road, a bit north of Santa Fe, at 11:39 am, late this morning. I did the Adi Shakti mantra with them for about 10 minutes and then they were gone with the wind!

Then I looked at my Twitter feed, and I saw all kinds of pictures from **Tom the Ring-tailed Cat** and other Paschats such as **Sweet Angelique the Cat, Larry, Curly and Mo**. The pictures were of all kinds of anomalies and portals and dimensional doorways, opening up around the planet! [See pages 5 & 6]

Meanwhile, there was another X Class solar flare and an M Class solar flare. These solar flares are becoming numerous and occurring much more frequently each day. This is part of the great shift into the 5th dimension; we are in the greatest time ever! All we are saying is 'Give Peace a Chance!' [Sat Nam! Namaste! Blaze the Violet Fire!](#)

Thursday

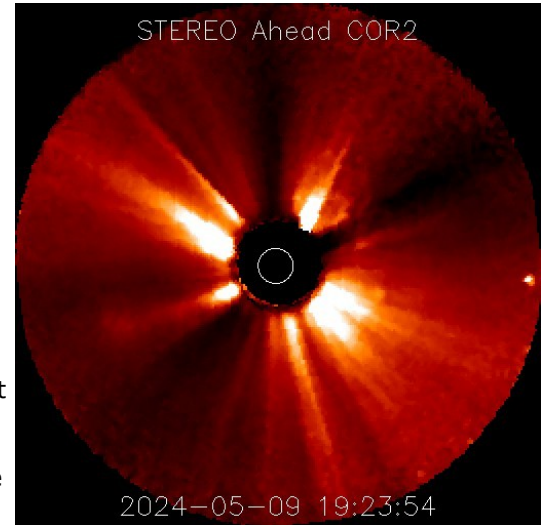

3 deer and 6 crows; Larry, Curly, Mo, Sweet Angelique the Cat and Tom the Ring Tailed Cat.

Rama: I sat with **3 deer and 6 crows** today, off the road halfway between Espanola and Chama, at 11:28 am, late this morning. They intuitively said to me, "Lord Rama, stay in your center with these big energies coming in."

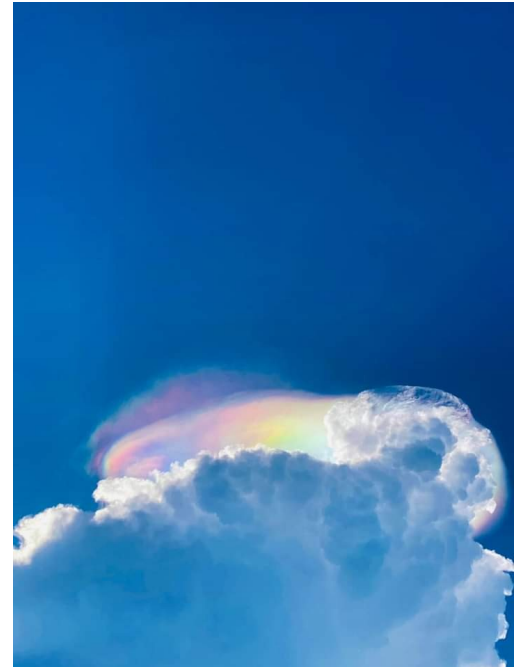

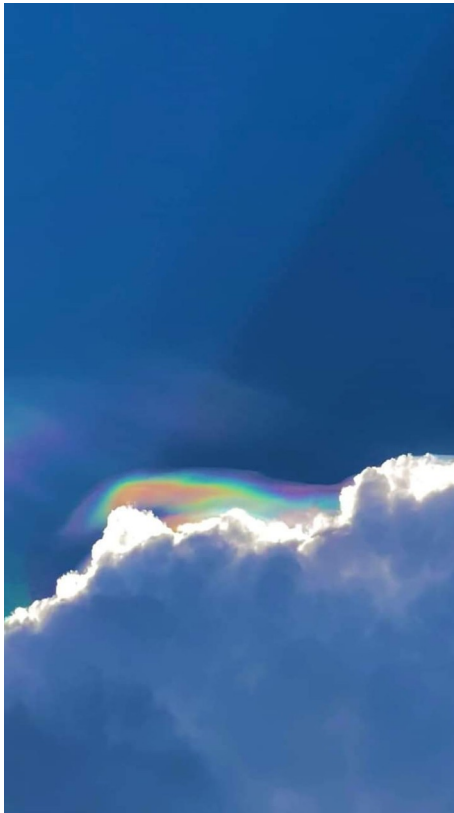

Then I received a text message at 12:01 pm, just after noon from **Larry, Curly, Mo, Sweet Angelique and Tom the Ring Tailed Cat**. They all said to me, "Lord Rama, BIG energies, VERY BIG solar flares are pouring in. There were 2 X Class flares in the last 12 hours. They were recorded at 1.2 and 1.4 on a 1 to 9 X Class Scale. Do not let this information fool you: these energies are still HUUGGEEEE!!!! Ascension symptoms are off the chart!

"In terms of the big story, the dark side is out of options except for LOVE. And LOVE is always the answer.

"The dark side continues to promulgate false ideologies about disaster stories. We are in the most extra-ordinary times of our lives! ! ! And we are backed up by millions of souls. The time is now to focus on our mission: it is about spreading the good news that our Galactic Family and Friends are near. We sent you some amazing pictures of what is going on in our local galaxy. We are in the best of times. See you in the Light of the Most Radiant One! **Sat Nam! Namaste! Blaze the Violet Fire!**"

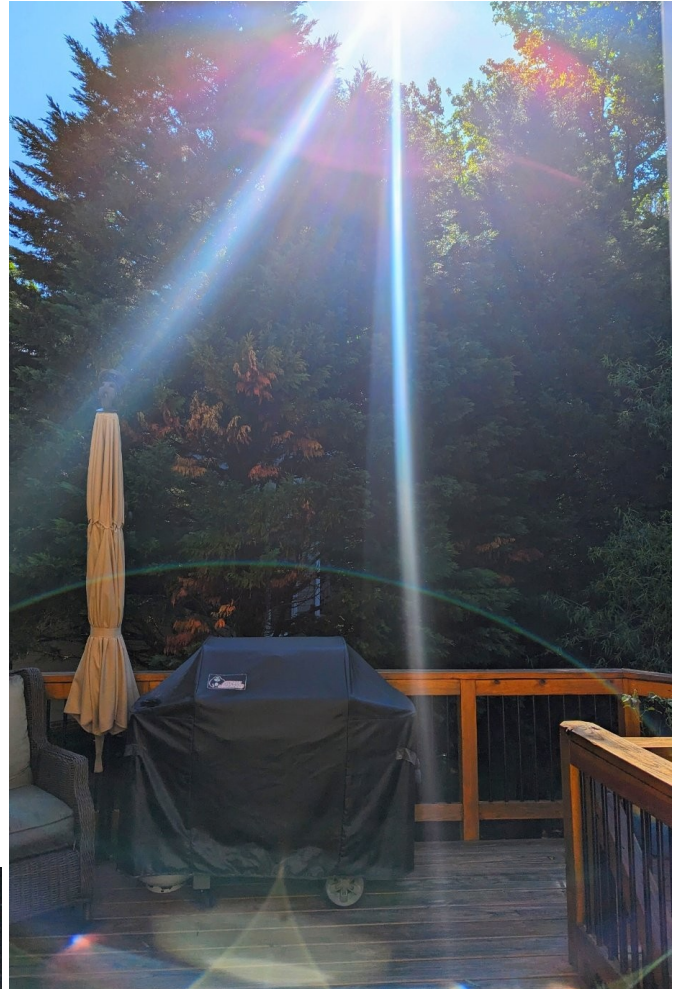

These 4 pictures were sent to Lord Rama from the 5 + Paschats . . .

Probably a Paschat relative, up at dawn! ! !

Someone is unaware of unseen visitors! !

Photos of other galaxies are always the most thrilling of all photos
