RanaMu

Rama: I received a treatment from **RanaMu** at 10:50 am this morning. She used the lasers of the 7 rays: Excaliber Blue; the Rose Pink Ray; Sunshine Yellow Ray; White Fire Core of Being Ray; the Emerald Green Ray; the Ruby Rose Ray and the Violet

Ray of St Germain! She automatically ran these 7 rays up and down over my 7 major chakras. I fell asleep for about an hour; then RanaMu said to me,

"Lord Rama, **this story is at an end PERIOD! ! !** Pluto is digging up all the dirt AND bringing it to the surface! As we approach this lunar eclipse / full moon, Scorpio comes into play, as well as Venus. Everything that is unlike love is being turned up and transformed.

"The Pleadians, the Andromedans – THEY ARE ALL HERE! They are family; this time we get to know the other side of our family. They may not look like us – YET WE ARE ALL FAMILY! ! !

"See you in the Light of the Most Radiant One! [Sat Nam! Namaste! Blaze the Violet Fire!](#)"

Saturday

21 deer, 16 crows

Rama: I sat with **21 deer and 16 crows**, at 11:13 am this morning. They said to me, "Lord Rama, we have created a Jedi Council for you to participate in.

"The humans are out of control! They need more Light and Love! They are focussed on money, power and control! The Light coming in from the sun is teaching us about Love and Compassion for all sentient folk, even the Crystal People. Go in peace and share our message of Light and Love! **Sat Nam! Namaste! Blaze the Violet Fire!**"

Monday

3 deer, 4 crows; The Plasma Field; RanaMu

Rama: I went and sat with **3 deer and 4 crows** at 10:30 this morning, near St John's College. They all said to me, "Lord Rama, go and sit in the Plasma Field; there is a message waiting for you!"

So I went and sat in **The Plasma Field** at 11:10 am this morning. The Plasma Field said to me, "Let's hook you up to Rana Mu!" Then the Plasma Field hooked me up to **Rana Mu**, via the Plasma Field's link to the internet – believe it or not! ! !

Then Rana Mu said to me, "Lord Rama, lay back in the water and let the lasers work on you!" Then I had rainbow coloured rays coming out of the Plasma Field into me.

Then the Plasma Field said to me: "Do I have a story for you, Lord Rama!" The Field began with: "We must heal our shadows. Pluto and Venus are helping to do this, right at this moment, with the current technology. This is a very ancient story. In the Middle East, there are anomalies, and there is a moving portal there; it is like the Bermuda Triangle. People can go, let's say, to The Wailing Wall in Jerusalem and suddenly, they disappear! It is not without this being in their Akashic records!"

"This ancient portal goes back 200,000 years and, at that time, the Annunaki War Lords, Mother's Wayward Children, created a rip in the fabric of the Space/Time Continuum. That rip is almost healed completely.

"What we are watching now are the last moments of that rip! As we move more into Sat Yuga, this rip is no more. The Ancient Peoples from that time are back here now, working out their stuff. Pluto (Roman - otherwise known as Hades (Greek)), the King of the Underworld and oldest son of Cronus and Rhea, another name for Earth, is digging up all the skeletons of the 13 families to be brought to the surface for all to see. in the closet. The skeletons / unknown evil deeds are being outed by the shadows of the 13 families themselves.

"As we go through this full moon / lunar eclipse, remember all the angels and masters walk with us; this period of time (Hallowe'en or Samhain**) is the crack between the two worlds. Walk the path with The Violet Flame! **WE HAVE WON! ! ! Sat Nam! Namaste! Blaze the Violet Fire!**"

** Samhain (a **Gaelic word pronounced "sow-win"**) is a pagan religious festival originating from an ancient Celtic spiritual tradition. It is usually celebrated from October 31 to November 1 to welcome in the harvest and usher in "the dark half of the year." Celebrants believe that the barriers between the physical world and the spirit world break down during Samhain, allowing more interaction between humans and denizens of the Otherworld.

Tuesday

Lady Master Nada; Tom the Ring-tailed Cat;
Larry, Curly & Mo; Mr X; The Nameless Ones

Rama: I went and created a Jedi Council about half way up to the ski valley, at 10:46 am mid morning. First **Lady Master Nada** showed up in the circle; then **Tom the Ring-tailed Cat** and **Larry, Curly and Mo** soon followed. Then, **Mr X** and **The Nameless Ones** came in to complete the Circle! They all said to me: "Lord Rama, the 13 families are playing out their final card! They want to create enough of what is called 'psychic loosh' or what is better known as fear, to attempt to paralyze people in their tracks with the illusion of power over love they are responsible for creating in their illusionary matrix of control over the people.

"They are out of time, out of money. They are not out of LOVE! All that is required is to ask, and you shall receive!"

Mr X at this point said to me: "Lord Rama, this whole "Gaza story" is a dark, evil creation of our U S Deep State. Hamas, also created by the U S Deep State, was infiltrated by another creation of the U S Deep State, in collaboration with Israel's Deep State / Black Ops. Put all this in the Light of the Most Radiant One and [Blaze the Violet Fire](#).

Then **The Nameless Ones** spoke up and said to me: "Lord Rama, this eclipse with Pluto and Scorpio in the mix is going to raise the energies in a very good way." They continued: "Up here in the Wesak Valley, we have over 1,000 Tibetan Lamas gathered with us and leading us in a chant, invoking the mantra "Ohm Mani Pad Me HUM" which means "I AM the jewel in the lotus". As we chant, we are holding all of Earth Mother, her people and all life, here in the Circle of Support. Go and share the good news that our galactic family are all here, on the ground with us.

"All we are saying is 'Give peace a chance!' [Sat Nam! Namaste! Blaze the Violet Fire!](#)"

Wednesday

13 deer, 9 crows, 3 coyotes; 1 HUGE buck!
Tom the Ring-tailed Cat; Sweet Angelique the Cat

Rama: I went and sat with **13 deer** and **9 crows** today just above the spa, 10,000 Waves, up the mountain about 11:45 am. They were very hungry. Then **3 coyotes** showed up. They let me pet them and they nibbled a bit on the compost and then they ran away! Then finally a huge buck showed up; he looked me straight in the eye and let me take his picture – and then HE vanished!

FROM LORD RAMA: The Buck that showed up on Wednesday...

“Meanwhile our sun is going through many transfigurations. **Tom the Ring-tailed Cat** and **Sweet Angelique the Cat** sent me pictures of the sun and, in one picture of the sun, half of the sun is blacked out. Then later on, I received a whole picture of the sun, and there are two giant holes/portals in the sun, about which Tom and Sweet Angelique said to me, “Lord Rama, there are many mother ships coming through these huge portals in our Sun, Sol. They are here in our solar system to help Mother Gaia raise herself up.

“Meanwhile we are now in the window of this coming eclipse. Stay in the High Heart! **Sat Nam! Namaste! Blaze the Violet Fire!**”

Thursday

Tom the Ring-tailed Cat; Sweet Angelique the Cat

Rama: I received a text message from **Tom the Ring-tailed Cat** and **Sweet Angelique the Cat** at 11: 23 am this morning. They said to me, “Lord Rama, the sun still has those two huge holes / portals in it, yet today, those two huge portals in the sun are MUCH BIGGER than they were yesterday! Yesterday, many motherships were coming in via those portals and parking in orbit outside Mother Gaia’s gravitational force field, to offer support and energy to her for her to lift herself up. Today many, many more motherships continue flowing in through those much larger portals, bringing many more galactic beings aboard them. The motherships and all the advanced Galactic Beings of Light aboard them - Andromedans, Sirians, Plieadians from far and wide – are coming to assist Mother Gaia in her ongoing ascension process, as well as assist all of us on Mother Gaia in our ascension process with her!

“Meanwhile, we are into this window of this full moon, lunar eclipse in Taurus, due on Saturday at 4:24 pm, EST, and the sun is in Scorpio at that time, as well. We are letting you know the Dark Side is OUT OF OPTIONS, SAVE LOVE! We are asking everyone to work with the crystalline gold particles coming in from the sun. Please stay in the High Heart: do not get caught in the political in-fighting! Instead, focus on the radiant energies pouring in. As you do that, you will see us! We of the Galactic Realms, walk right beside you every day! Look with your inner eye and you WILL see us! See you in the Light of the Most radiant One! **Sat Nam! Namaste! Blaze the Violet Fire!**”

**From Lord Rama:
The sun yesterday, with
the portals marked.**

**From Lord Rama: a portal with
energy flowing from it to the
being facing it**

William Linville - Bio

William Linville is the embodied clear conduit of presence and clear creator consciousness who has transcended all of the lower levels of the physical form, as well as all of the carnal levels of the physical makeup that came with his embodiment, which he stepped into on a surgery table in 1996.

He is here on the planet to assist you to clear out all of your mental, physical, and emotional conflicts and misperceptions that have held you back from fully marrying your higher levels through your lower levels.

Working beyond space and time, William is presented with your light-realms, as well as you within and throughout all levels of creation, to assist with releasing and dissolving all of the density, debris from misperceptions, and conflicts within the mental, emotional, subtle pain bodies and all that is affecting the physical.

He then assists your body to begin to vibrate faster by marrying the higher levels of you – your creator levels, your manifest levels, your light bodies – integrating into this realm through your physicality as you wake-up, lighten-up, emanate, and express within and throughout your world and all of creation as a whole.

2023-10-26 M. T. KESHE on the Israel-Palestine War: from the 509th Knowledge Seekers Workshop

We see today sitting here, as I spoke last week, the war in Middle East [is] imminent. Americans and Illuminatis have decided, we're going rob the Iran Central Bank. Every effort is getting made to stop this and the only thing is I can say, those who play the game will "pay the game." We will make sure if any excursion to damage Iran happens, through our technology and our will, without damaging a Soul, we'll bring those nations to more primitive levels, than when the man came outof the cave.

I do not make a threat, but I deliver the technology, that living in those countries will become as you lived in the Stone Age. Those who start a war will have to understand the time of war is over. Those who thought they're going to make profit, they'll find a very different profit.

My advice goes to the American administration and their work, and the same with the Israelis. You play with man, we play with Creator. Keep from making such a move because, in a way, it's the wrong move.

The war which [was] started by Hamas was paid by the Israelis to start the war by Hamas, to create the present condition. So all ends up with the same. And we handle the same through the knowledge, technology, and at the same time, knowing what is to come.
